

Re: England Australia 2-3 month house swap proposal
From: Rev Liam Eaglestone, Minchinhampton Baptist Church,
Gloucestershire, England

After completing more than seven years as an ordained BUGB Accredited Minister I am seeking a period of Sabbatical leave, based in Sydney Australia.

In order to facilitate the Sabbatical I am seeking a house swap with a Christian Minister, and/or family from Sydney.

Are you interested in an extended stay in England with free accommodation and cars? Do you have a family home and car that you would be willing to swap for 2-3 months somewhere between January and April 2012?

About me and my family:

I am 33 years old and a Baptist Union of Great Britain Accredited Minister, and have been the Minister of Minchinhampton Baptist Church for the past three years. I am happily married to Kate, who is the same age as me, and we have four young children – Billy (7), Jessie (5), Molly (4), and Jack (3). You can see a picture of us and find out a little more about us here - <http://bit.ly/eQgae0>

About Minchinhampton & the Cotswolds:

Minchinhampton is a lovely old English Market Town set in the beautiful Cotswold countryside in Gloucestershire. Minchinhampton is near to the Town of Stroud, and in striking distance of Cheltenham, Gloucester, Bristol and Cardiff. Although Minchinhampton is a little way west of London, a number of people in the local area actually commute to the capital for work - there is a very good train service from Stroud to London, so access to the English capital city is very easy. You can find out more about Minchinhampton and the local area by following these links:

About the house and cars:

We live in a comfortable 4 bedroom Manse, in Minchinhampton (address: 76 Glebe Road, Minchinhampton, Stroud, Glos, GL6 9LQ - <http://bit.ly/gAguKT>). We have two good cars, an eight seater Toyota Previa, and a smaller Toyota Yaris – the house, and both of these cars would be available to you for the duration of your stay.

Please feel free to have a look at around Minchinhampton Baptist Church website to get an idea of the sort of church that I come from, and use the contact details below to get in touch if you are interested in following this up, or if you have any questions.

Thank you for considering this offer. Grace and Peace, from
